Standard:

Control Union Certifications Production Standards and Regulation (EC) No 834/2007 and Regulation (EC) No 889/2008 on organic production of agricultural products and indications referring thereto on agricultural products and foodstuffs, including the amending regulations, and Control Union Certifications (CU) Inspection Regulations.

Valid until: 19 March 2025

Control Union Certifications declares to have inspected the unit(s), and/or product(s) of the above-mentioned client and have found them in accordance with the standards mentioned above.

This certificate covers the unit(s), and/or product(s) as mentioned in the authenticated annex of this certificate. This document has been issued on the basis of Article 29(1) of Regulation (EC) No 834/2007 and of Regulation (EC) No 889/2008. The declared operator has submitted his activities under control, and meets the requirements laid down in the named Regulations.

Labelling of the product must state CUC CB code number.

The units and products in the Annex (except for in-conversion products) are also certified to the organic standards equivalent to Regulations 834/2007, 889/2008 and 1235/2008 for the purpose of exporting organic products to Great Britain.

This certificate remains in force until further notice, provided that the participant continues to meet the conditions as laid down in the client contract with Control Union Certifications B.V. and verified in inspections by Control Union Certifications B.V. 834/2007 and 889/2008 are repealed as of 31 December 2024.

Concerns: certificate

Dear Sir/Madam,

Please find enclosed your Scope Certificate for your project. When Control Union Certifications B.V. does not receive any reaction within 21 days after sending (date of postmark), it is assumed that you agree with its contents.

Your valid scope certificate summarises and visualises your current achievements with regard to the certification of your production. Please feel free to use it for your public relation purposes.

Please be aware that:

- The Scope Certificate can not be used as an Import or Transaction Certificate for a certain product.
- Only your most recently issued Scope Certificate is valid.

We hope to have informed you sufficiently.

With kind regards,

p/o
